

清华大学在线教育中心

清华大学在线教育中心负责统筹协调学校各级各类在线教育工作。承担信息技术与教育教学深度融合的在线、融合式等各类课程建设以及人工智能赋能教育教学的实践与探索；统筹协调在线教学、智慧教学平台和工具的校内推广应用、国内外合作、在线教育研究等工作。承担世界慕课与在线联盟秘书处、教育部在线教育研究中心秘书处工作。

The Online Education Center of Tsinghua University is responsible for the overall coordination and organization of online education initiatives at all levels across the university.

The Center undertakes the development of online and hybrid courses, as well as artificial intelligence empowered education initiatives. It also coordinates the campus wide promotion and application of online teaching and smart educational platforms, as well as domestic and international cooperation and research on online education.

In addition, the Center serves as the Secretariat of the Global MOOC and Online Education Alliance and the Secretariat of the Online Education Research Center of the Ministry of Education.
